

TRIPLE O AUTOMOTIVE

Dear Shawn,

It was a pleasure speaking with you about the opportunity for Triple O Automotive in your city of Rancho Santa Margarita and I enjoyed seeing your city when we met, it sounds like a perfect location for our first showroom and sales facilities. I wanted to repeat our commitment to open that first facility in Rancho Santa Margarita when our vehicles are ready and assuming space will be available. I think this would be a win/win for our company and your city.

We truly believe in what we are doing here at Triple O and look forward to the day we are doing a ribbon cutting in your beautiful city.

Sincerely,

Steve Osorio
